

CBH CO-OP is proud to offer our propane **Even Energy Payment Plan** for the upcoming 2020-2021 heating season. The plan runs for 11 months, starting June 1, 2020, and ending April 30, 2021.

CBH CO-OP is offering this **Even Energy Payment Plan** as a benefit to our patrons to help with a balanced billing program for their propane needs throughout the year.

Benefits of **EEPP** include:

- From June 1, 2020, through April 30, 2021, the price will be locked in. (Please call for rate.)
 - ❖ Please keep in mind this is a separate program from our prepaid contract. Prepaid contract letters will be mailed out late summer.
- Your monthly payment will be based on the price per gallon rate and your propane usage average for the last 2 years, with a minimum of 500 gallons contracted under this agreement. Tank rent will be included, if applicable.
- Propane tanks not reading at least 70% full on May 1, 2020, will have payments adjusted accordingly.
- **EEPP** customers will be on a scheduled delivery route. If you miss two (2) consecutive payments on the **EEPP**, you will be returned to a will-call basis and will be responsible for calling for deliveries, and you will no longer be entitled to the benefits of the **EEPP**, including the price.
- In order to qualify for this plan, CBH must have all required forms on file.
- Account with CBH CO-OP must be current or paid in full.
- The deadline to sign up is **May 31, 2020**. First payment will be due upon sign up.
- Monthly payments must be received no later than the last business day of the month.
