

Dear Patron,

To comply with the federal rules on reporting 1099 patronage dividends, we must report the taxpayer I.D. number (Social Security Number or Federal I.D. Number) of all patrons receiving dividends. We are also required to certify that your taxpayer I.D. number is correct and that you are not subject to backup withholding. If we do not comply with these rules, we are both subject to a \$50 penalty.

We are also asking you to consent to include your patronage dividends in your income as provided in the tax laws. If you deduct your cooperative purchases as a business expense, you are required to include your patronage dividend in income. If some of your purchases were not deductible expenses, you may subtract that portion of your patronage dividend from taxable income.

We ask that you sign, date, and return the bottom portion of this card so we can comply with these rules.

We appreciate your cooperation and prompt response.

Thank You!

This consent shall be revocable by me at any time if in writing.

Certification - Under penalties of perjury, I certify that (1) The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and (2) I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

Certification Instructions - You must cross out item (2) above if you have been notified by the IRS that you are currently subject to backup withholding because of underreporting interest or dividends on your tax return.
